To whom it may concern,

Our names are Allan and Gerry Silk; we are Pastors of Marriage Ministry at Word Alive Ministries in Thornton Colorado. We are also Directors and Certified Marriage Specialists with NAME—National Association of Marriage Enhancement. We have been working with marriages for about 18 years.

Gary and Sharon Worrell were asked to be our guest speakers at our regularly hosted marriage class. Instead of just a lectured class, they did a 5-6 hour workshop that we did on a Saturday.

Their workshop is called “N 2 Me C”—identifying the Roadblocks to Intimacy. The whole concept of this workshop is to allow couples to see which road blocks were hindering them from having a healthier marriage. Couples were asked to do a Workshop-Pre-test and at the end of the class were asked for feedback on how the class helped and what road blocks they needed to work on.

The most interesting thing about this workshop was that we have never had a class like this one nor have we ever attended any kind of workshop like the one Gary and Sharon did. Most workshops are just about teaching. Theirs was about teaching, demonstration and interaction. The couples were very excited about the workshop because they actually saw themselves in the roadblocks that Gary and Sharon used; and how they interacted with the couples.

We have grown to appreciate and love Gary and Sharon Worrell. They are not only awesome speakers; they are also Counselors helping people get set free from addictions of all kinds. Gary has also had the opportunity to speak at the men’s fellowship and Sharon has taught at the Women’s fellowship. There is such an anointing on their teaching skills and the wisdom they bring to help couples and people be set free. Their love and compassion show it.

Our prayer is that Gary and Sharon will have the opportunity to teach the “N 2 ME C” workshop in other churches because marriages need to be set free. If we have healthy couples we will have a healthy church and if we have a healthy church we will be able to speak life into our communities.

Above all these things put on love, which is the perfect bond of unity. Col.4:13

Love in Christ,

Pastors Allan and Gerry Silk
