Recently Gary and Sharon Worrell did an Intimacy Workshop for our marriage ministry at Word Alive Ministries. It was a 5-hour workshop that was held on a Saturday at the church. We had 35 couples and a few singles that signed up. Roadblocks to Intimacy was a huge interest for couples.

We really enjoyed the visual roadblocks and building blocks to intimacy. It is always helpful for couples to search their relationship and understand where there may be need for change or improvement. The scriptures that were given were a great foundation for the material presented.

The visual and printed materials along with the presentations kept everyone's interest. Gary and Sharon gave great tools to work with. This is a great help to all marriages and singles alike. We would highly recommend this workshop to all churches.
